

2018 BIBLE READING PLAN

SOLO

SOLO 2018 Bible Reading Plan: Don't just read the Bible – Engage it. Let it revolutionize your life. The Solo 2018 Reading plan encourages you to have solo one on one time with God. This plan highlights key passages from the Bible, starting in Genesis and going chronologically through Revelation. Each passage is only 5-15 verses. The shorter passages allow you to spend time reading, praying and listening to what God is speaking into your life. You can also download it as an e-book.

With each passage:

- **Read** – Read thoughtfully, leisurely and faithfully. Underline or write down words or phrases that stand out to you. Consider reading the entire chapter to get more context.
- **Think** – Read the passage a second time and think about the words and what they mean. Think about what was happening in the passage. How does it connect to your life?
- **Pray** – As you read the passage offer a prayer to God based on what you've read. God yearns to converse with you. Speak to him about what you have read and listen to what God wants to say to you.
- **Live** – You can read, think and pray all day, but unless you live in God's Word, you miss the point. Take a word or phrase with you into your day that you want to live out.
